SUP #2012-0023

5/1/2012

I. DISCUSSION

The applicant, ATC IV LLC by Simpson Properties, Ltd. requests Special Use Permit approval to operate a restaurant at 2850 Eisenhower Avenue.

SITE DESCRIPTION

The subject site is a ground/plaza-level tenant space in a multi-story office building within the Alexandria Tech Center. The lot on which the building is located has approximately 300 feet of frontage on Eisenhower Avenue and a total lot area of 55,249 square feet.

The surrounding area is primarily commercial in character, but features some industrial and residential uses. The Alexandria Tech Center, which is comprised of a number of multi-story office buildings and two hotels surround the property to the south, east, and west. Directly across Eisenhower Avenue to the north is a Virginia Department of Transportation field office and to the northeast, across Eisenhower Avenue, are the Cameron Court Apartments.

BACKGROUND

The subject building was constructed in 1992 pursuant to Site Plan #88-0010. During the site plan approval process, the City Council approved Special Use Permit (SUP) #2115 for a 150 seat restaurant in this building; however, records indicate that the restaurant never opened. The subject tenant space, which was recently vacated as a part of the BRAC process has been an office use since the building was constructed.

In 1986, City Council approved SUP #1900 for the operation of a 220 seat cafeteria-style restaurant located in the office building at 2800 Eisenhower Avenue, which is also within the Alexandria Tech Center. According to the applicant, this restaurant is no longer operating.

PROPOSAL

The applicant proposes to operate a 2,000 square foot deli-style restaurant serving soups, sandwiches, and salads. A total of 40 seats will be offered, 28 of which will be indoor seats and 18 of which will be located outdoors on a ground-level patio area adjacent to the tenant space.

Hours: 6:00 a.m. – 6:00 p.m., Monday – Saturday

Number of seats: 28 indoor seats
12 outdoor seats
40 total seats

Type of Service: Self-service seating, take-out, and delivery

Customers: Approximately 150 customers/day

- Alcohol: No alcohol service is proposed
- Entertainment: No live entertainment is proposed
- Delivery: One vehicle at a time will offer food delivery to customers outside the building
- Noise: Regular kitchen operational noises expected
- Trash/Litter: About ten 30 gallon plastic trash bags of food waste and paper and plastic products each day will be stored in building's existing trash dumpsters for daily pick-up.

PARKING

Section 8-200(A)(8) of the Zoning Ordinance requires one parking space for every four restaurant seats. A restaurant with 40 seats and one delivery vehicle is required to provide a total of 11 off-street parking spaces. Parking requirements for the subject building were specified in the Transportation Management Plan SUP #2111) for the Alexandria Tech Center and include sufficient spaces for this restaurant, which is significantly smaller than the one approved for the same space in 1992.

ZONING/MASTER PLAN DESIGNATION

The subject property is located in the OCM(100)/Office Commercial Medium zone. Section 4-1003(AA) of the Zoning Ordinance allows a restaurant in the OCM(100) zone with a Special Use Permit when it does not meet eligibility criteria for Administrative SUP approval. The applicant's proposal does not meet Administrative SUP eligibility criteria.

The proposed use is consistent with the uses shown in the King Street/Eisenhower Avenue Small Area Plan which designates the property for a moderate density commercial office development.

II. STAFF ANALYSIS

Staff supports the applicant's request to operate a restaurant in the subject tenant space within the Alexandria Tech Center. Currently, no food service is available to serve the tenants of the office park, meaning that the proposed restaurant will help to serve an unmet need.

Few impacts on the surrounding neighborhood are expected from this proposal, and staff expects the primary market for this restaurant to be primarily employees within the Alexandria Tech Center. The restaurant is relatively modest in size at only 2,000 square feet and its operational elements are limited. No live entertainment is proposed and the hours of operation are reasonable for an office development at 6:00 a.m. to 6:00 p.m., Monday - Saturday. In addition, the applicant is the building owner, which will help to ensure that the conditions of SUP approval are met.

Because the subject property is relatively close to a residential apartment community, staff has included a condition requiring that any exhaust vent or fan shall be located as far away as possible from these residential properties and in manner as to not impact the intake vent of adjacent businesses or properties.

Subject to the conditions contained in Section III of this report, staff recommends approval of the applicant's request.

III. RECOMMENDED CONDITIONS

Staff recommends **approval** subject to compliance with all applicable codes and ordinances and the following conditions:

1. The Special Use Permit shall be granted to the applicant only or to any corporation in which the applicant has a controlling interest. (P&Z)
2. The maximum number of seats at the restaurant shall be 40, including both indoor and outdoor seating. (P&Z)
3. The hours of operation at the restaurant shall be limited to between 6:00 a.m. and 6:00 p.m., Monday through Saturday. (P&Z)
4. The applicant shall post the hours of operation at the entrance of the business. (P&Z)
5. No live entertainment shall be allowed at the restaurant. (P&Z)
6. Not more than one delivery vehicle operated by the applicant may be used to deliver food to customers. The delivery vehicle must park in an off-street parking space when at the restaurant. (P&Z)(T&ES)
7. Meals ordered before the closing hour may be sold, but no new patrons may be admitted and all patrons must leave by one hour after the closing hour. (P&Z)
8. The applicant shall conduct employee training sessions on an ongoing basis, including as part of any employee orientation, to discuss all SUP provisions and requirements, and on how to prevent underage sales of alcohol. (P&Z)
9. No food, beverages, or other material shall be stored outside. (P&Z)
10. Trash and garbage shall be placed in sealed containers which do not allow odors to escape and shall be stored inside or in closed containers which do not allow invasion by animals. No trash or debris shall be allowed to accumulate on site outside of those containers. (P&Z)

11. Litter on the site and on public rights-of-way and spaces adjacent to or within 75 feet of the premises shall be picked up at least twice a day and at the close of business, and more often if necessary, to prevent an unsightly or unsanitary accumulation, on each day that the business is open to the public. (T&ES)
12. Kitchen equipment shall not be cleaned outside, nor shall any cooking residue be washed into the streets, alleys or storm sewers. (T&ES)
13. All waste products including but not limited to organic compounds (solvents), shall be disposed of in accordance with all local, state and federal ordinances or regulations and not be discharged to the sanitary or storm sewers or be discharged onto the ground. (T&ES)
14. The applicant shall control cooking odors, smoke and any other air pollution from operations at the site and prevent them from leaving the property or becoming a nuisance to neighboring properties, as determined by the Department of Transportation & Environmental Services. (T&ES)
15. All loudspeakers shall be prohibited from the exterior of the building, and no amplified sounds shall be audible at the property line. (T&ES)
16. Supply deliveries, loading, and unloading activities shall not occur between the hours of 11:00pm and 7:00am. (T&ES)
17. The applicant shall require its employees who drive to use off-street parking and/or provide employees who use mass transit with subsidized bus and rail fare media. The applicant shall also post DASH and Metrobus schedules on-site for employees. The applicant shall also provide information about off-street parking and alternative forms of transportation to access the location of the restaurant, via print and electronic promotional materials, posting on the restaurant website, and other similar methods. (P&Z) (T&ES)
18. The proposed exhaust vent or fan shall be located as far away as possible from residential properties and in manner as to not impact the intake vent of adjacent businesses or properties. (T&ES)
19. The applicant shall post a sign at the front of the building directing patrons to the location of off-street parking to the satisfaction of the Director of Planning and Zoning. (P&Z)
20. The applicant shall provide a menu or list of foods to be handled at this facility to the Health Department prior to opening. (Health)
21. The applicant shall contact the Community Relations Unit of the Alexandria Police Department at 703-746-6838 regarding a security survey for the business and a robbery readiness program for all employees. (Police)
22. The Director of Planning and Zoning shall review the Special Use Permit after it has been operational for one year, and shall docket the matter for consideration by the Planning

Commission and City Council if: (a) there have been documented violations of the permit conditions which were not corrected immediately, constitute repeat violations or which create a direct and immediate adverse zoning impact on the surrounding community; (b) the director has received a request from any person to docket the permit for review as the result of a complaint that rises to the level of a violation of the permit conditions, or (c) the director has determined that there are problems with the operation of the use and that new or revised conditions are needed. (P&Z)

STAFF: Barbara Ross, Deputy Director, Department of Planning and Zoning;
Eileen M. Oviatt, Urban Planner.

Staff Note: In accordance with section 11-506(c) of the zoning ordinance, construction or operation shall be commenced and diligently and substantially pursued within 18 months of the date of granting of a special use permit by City Council or the special use permit shall become void.
