Special Use Permit #2012-0026
2 East Walnut Street – Grape + Bean

Application	General Data	
Consideration of a request to operate a restaurant with a parking reduction at an existing retail establishment.	Planning Commission Hearing:	June 5, 2012
	City Council Hearing:	June 16, 2012
Address: 2 East Walnut Street	Zone:	CL/Commercial Low
Applicant: SRDG INC.	Small Area Plan:	Potomac West

Staff Recommendation: APPROVAL subject to compliance with all applicable codes and ordinances and the recommended permit conditions found in Section III of this report.

Staff Reviewers: Barbara Ross Barbara.ross@alexandriava.gov
 Nathan Randall nathan.randall@alexandriava.gov

PLANNING COMMISSION ACTION, JUNE 5, 2012: On a motion by Mr. Robinson, seconded by Ms. Lyman, the Planning Commission recommended approval of the request subject to compliance with all other applicable codes, ordinances and staff recommendations as amended. The motion passed on a vote of 5 to 0, with Mr. Wagner and Mr. Jennings absent.

Reason: The Planning Commission agreed with the staff analysis but added a six-month review to ensure that any impacts are addressed.

Speakers:
 Shrinath Malur, 421 Commonwealth Avenue, expressed concern about the potential negative impact on his residence from outdoor dining portion of the request. He also stated that he was not sufficiently notified of the Special Use Permit request.

Sheera Rosenfeld, applicant, spoke in support of the request. She described her efforts in reaching out to neighbors, including Mr. Malur, and noted that she also fulfilled all legal noticing requirements.

I. DISCUSSION

The applicant, SRDG, Inc, requests Special Use Permit approval to operate a restaurant with a parking reduction at 2 East Walnut Street.

SITE DESCRIPTION

The subject site is one lot of record at the corner of East Walnut Street and Commonwealth Avenue in the Rosemont neighborhood. The lot has 89 feet of frontage on East Walnut Street, 127 feet of frontage on Commonwealth Avenue and 8,696 square feet in total area. A two-story commercial building has existed at this site since 1945, and has been occupied by a retail market for approximately 65 years.

The property is surrounded by a mixture of single family, townhouse and multifamily residences, as well as two churches and public park land. The property immediately to the east is part of Hooff's Run, owned by the City and used as a tennis court, open space and a walking path. The Hooff's Run park area separates this property from the homes further to the east along East Walnut. There is also a public park and a dog park to the north of the site. Immediately south is a relatively modern group of townhouses facing Commonwealth Avenue.

BACKGROUND

The applicant opened a retail market, known as Grape and Bean, on the subject property in March 2012. The new store adds to the applicant's South Royal Street business, specializing in wine and coffee, and also selling packaged gourmet food items such as cheeses, cured meats, crackers, and oils in addition to glassware and coffee brewing equipment. The market also offers fresh breads, eggs and local dairy products.

PROPOSAL

The applicant proposes to add a restaurant to its neighborhood market and gourmet retail store. The restaurant will offer cheeses and charcuterie plates, sandwiches, salads, soups and desserts; the menu will be similar to the Grape and Bean menu on South Royal Street. On-premises alcohol is proposed in addition to the wine and beer currently offered in the retail store, but no live entertainment will be offered. The application describes the elements of the restaurant as follows:

<u>Hours of Operation:</u>	7:00am – 11:00pm seven days/week
<u>Number of seats:</u>	24 indoor seats <u>32</u> outdoor seats 56
<u>Type of Service:</u>	Table service and carry out
<u>Alcohol:</u>	On-premises alcohol service only plus retail off premise sales.
<u>Live Entertainment:</u>	No live entertainment will be offered
<u>Delivery:</u>	No delivery service is proposed.
<u>Noise:</u>	No unusual noise levels from equipment or patrons are expected. Noise will not exceed levels permitted under the City's noise code.
<u>Odors:</u>	Ovens either have no emissions or use hood filtration systems to eliminate odors.
<u>Trash/Litter:</u>	Typical trash includes food waste and paper products and will be collected three times a week, or more as necessary. The majority of trash is expected to be recycled or composted.

PARKING

According to Section 8-200 (A)(8) of the Zoning Ordinance, a restaurant requires one parking space for every four seats. A restaurant with 56 seats is required to provide a total of 14 parking spaces. Unlike certain locations in the city, such as along Mount Vernon Avenue, outdoor seating in this neighborhood requires full parking. The applicant's site includes eight parking spaces, with 6 located in the parking area to the east and two accessed by a curb cut on Commonwealth.

The applicant has requested a six space parking reduction as part of this application and justifies the reduction by citing two facts: (1) the majority of the restaurant seats will be outdoors and seasonal and (2) on street parking, especially along Commonwealth Avenue, is typically available.

ZONING/MASTER PLAN DESIGNATION

The proposed restaurant use is located in the CL/Commercial Low zone. Section 4-103(M) of the Zoning Ordinance allows a restaurant in the CL zone and requires a Special Use Permit when it

does not qualify for administrative approval. The applicant's proposed restaurant is not eligible for an Administrative Special Use Permit since a parking reduction is being requested.

The proposed use is consistent with the Potomac West/Rosemont Small Area Plan chapter of the Master Plan which designates the property for commercial uses.

II. STAFF ANALYSIS

Staff recommends approval of the applicant's request to operate a restaurant. The location is the site of a longstanding neighborhood commercial use, historically a corner market. The proposed modern incarnation of the corner grocery store provides activity and focus and supports the concept of a neighborhood for Rosemont. The Grape and Bean retail store has been well received and there is evidently strong support for the proposed restaurant addition. The applicants are local and independent, with a successful business track record in Alexandria.

The size of the interior restaurant is small, only 24 seats. The outdoor seating is larger, given the large portion of privately owned exterior space in front of the restaurant. While supporting this application, staff has some concerns about the proximity of the outdoor seating to nearby residential uses. The applicant assures staff that it will not offer entertainment, and conditions restrict loudspeakers outside the building. Furthermore, the hours of operation are reasonable, closing at 11:00 p.m. each night, and the character of the restaurant should not engender loud or disturbing behavior. Staff has included standard conditions of approval in this report regarding matters such as odors and litter to further mitigate potential impacts.

As to the parking reduction, it is small and in part a consequence of the historical informal parking arrangement on the site to the east of the building. The applicant and staff have discussed options for that area, and the applicant may seek to improve it with a formal parking lot in the future, which should allow for additional parking spaces. In the meantime, staff agrees with the applicant that the proposed six space parking reduction is justified. Many restaurant patrons will walk to the site. For those who drive there is currently on street parking available on Commonwealth Avenue. For much of the year, there will only be 24 seats inside the building and the applicant's onsite parking more than meets the requirement for those seats.

Subject to the conditions contained in Section III of this report, staff recommends approval of the applicant's request.

III. RECOMMENDED CONDITIONS

Staff recommends **approval** subject to compliance with all applicable codes and ordinances and the following conditions:

1. The Special Use Permit shall be granted to the applicant only or to any corporation in which the applicant has a controlling interest. (P&Z)
2. The maximum number of seats at the restaurant shall be 56. (P&Z)

3. The hours of operation at the restaurant shall be limited to between 7:00am and 11:00pm daily. (P&Z)
4. The outdoor seating areas shall not include advertising signage, including on umbrellas. The outdoor dining area shall be cleared and washed at the close of each business day it is in use. (P&Z)
5. The applicant shall post the hours of operation at the entrance of the business. (P&Z)
6. On-premises alcohol service is permitted, in addition to the retail off premise sale of wine and beer. Beer or wine coolers may be sold only in 4-packs, 6-packs or bottles of more than 40 fluid ounces. Wine may be sold only in bottles of at least 375 ml. Fortified wine (wine with an alcohol content of 14% or more by volume) in the form of dessert wines, premium ports and sherries, and similar wines may be sold. (P&Z)
7. No live entertainment shall be allowed at the restaurant. (P&Z)
8. Meals ordered before the closing hour may be sold, but no new patrons may be admitted and all patrons must leave by one hour after the closing hour. (P&Z)
9. The applicant shall conduct employee training sessions on an ongoing basis, including as part of any employee orientation, to discuss all SUP provisions and requirements, and on how to prevent underage sales of alcohol. (P&Z)
10. No food, beverages, or other material shall be stored outside. (P&Z)
11. Trash and garbage shall be placed in sealed containers which do not allow odors to escape and shall be stored inside or in closed containers which do not allow invasion by animals. No trash or debris shall be allowed to accumulate on site outside of those containers. (P&Z)
12. Litter on the site and on public rights-of-way and spaces adjacent to or within 75 feet of the premises shall be picked up at least twice a day and at the close of business, and more often if necessary, to prevent an unsightly or unsanitary accumulation, on each day that the business is open to the public. (T&ES)
13. Kitchen equipment shall not be cleaned outside, nor shall any cooking residue be washed into the streets, alleys or storm sewers. (T&ES)
14. The applicant shall control cooking odors, smoke and any other air pollution from operations at the site and prevent them from leaving the property or becoming a nuisance to neighboring properties, as determined by the Department of Transportation & Environmental Services. (T&ES)
15. All loudspeakers shall be prohibited from the exterior of the building, and no amplified sounds shall be audible at the property line. (T&ES)

16. Supply deliveries, loading, and unloading activities shall not occur between the hours of 11:00pm and 7:00am. (T&ES)
17. The applicant shall require its employees who drive to use off-street parking and/or provide employees who use mass transit with subsidized bus and rail fare media. The applicant shall also post DASH and Metrobus schedules on-site for employees. (T&ES)
18. The applicant shall provide a menu or list of foods to be handled at this facility to the Health Department prior to opening. (Health)
19. The applicant shall contact the Community Relations Unit of the Alexandria Police Department at 703-838-4520 regarding a robbery readiness program for all employees. (Police)
20. **CONDITION AMENDED BY PLANNING COMMISSION:** The Director of Planning and Zoning shall review the Special Use Permit after it has been operational for ~~one year~~ six months, and shall docket the matter for consideration by the Planning Commission and City Council if: (a) there have been documented violations of the permit conditions which were not corrected immediately, constitute repeat violations or which create a direct and immediate adverse zoning impact on the surrounding community; (b) the director has received a request from any person to docket the permit for review as the result of a complaint that rises to the level of a violation of the permit conditions, or (c) the director has determined that there are problems with the operation of the use and that new or revised conditions are needed. (P&Z)(PC)

STAFF: Barbara Ross, Deputy Director, Department of Planning and Zoning;
Nathan Randall, Urban Planner.

Staff Note: In accordance with section 11-506(c) of the zoning ordinance, construction or operation shall be commenced and diligently and substantially pursued within 18 months of the date of granting of a special use permit by City Council or the special use permit shall become void.

IV. CITY DEPARTMENT COMMENTS

Legend: C - code requirement R - recommendation S - suggestion F - finding

Transportation & Environmental Services:

- F-1 Transportation supports the six space parking reduction application for the following reasons:
- Greater than one-half of the seats proposed (32 of 56 seats) for the restaurant will be outdoor seats, which will be seasonal in nature.
 - The restaurant is community-focused; pedestrians and bicyclists making trips from the surrounding neighborhood to the restaurant will reduce the overall demand for parking at the restaurant.
 - The existing on-street parking along Commonwealth Avenue adjoining the proposed restaurant contains a total of 7 parking spaces. These spaces have a relatively low parking utilization rate, indicating that some parking demand can be accommodated on-street adjacent to the proposed restaurant.
- R-1 Kitchen equipment shall not be cleaned outside, nor shall any cooking residue be washed into the streets, alleys or storm sewers. (T&ES)
- R-2 The applicant shall control cooking odors, smoke and any other air pollution from operations at the site and prevent them from leaving the property or becoming a nuisance to neighboring properties, as determined by the Department of Transportation & Environmental Services. (T&ES)
- R-3 All loudspeakers shall be prohibited from the exterior of the building, and no amplified sounds shall be audible at the property line. (T&ES)
- R-4 Supply deliveries, loading, and unloading activities shall not occur between the hours of 11:00pm and 7:00am. (T&ES)
- R-5 Litter on the site and on public rights-of-way and spaces adjacent to or within 75 feet of the premises shall be picked up at least twice a day and at the close of business, and more often if necessary, to prevent an unsightly or unsanitary accumulation, on each day that the business is open to the public. (T&ES)
- R-6 The applicant shall require its employees who drive to use off-street parking and/or provide employees who use mass transit with subsidized bus and rail fare media. The applicant shall also post DASH and Metrobus schedules on-site for employees. (T&ES)
- C-1 The applicant shall comply with the City of Alexandria's Solid Waste Control, Title 5, Chapter 1, which sets forth the requirements for the recycling of materials (Sec. 5-1-99). (T&ES)

In order to comply with this code requirement, the applicant shall provide a completed Recycling Implementation Plan (RIP) Form within 60 days of City Council approval. Contact the City's Recycling Program Coordinator at (703) 746-4410, or via e-mail at commercialrecycling@alexandriava.gov, for information about completing this form.

- C-2 The applicant shall comply with the City of Alexandria's Noise Control Code, Title 11, Chapter 5, which sets the maximum permissible noise level as measured at the property line. (T&ES)

Code Enforcement:

- F-1 The review by Code Administration is a preliminary review only. Once the applicant has filed for a building permit, code requirements will be based upon the building permit plans. If there are any questions, the applicant may contact Ken Granata, Acting Plan Review Supervisor at ken.granata@alexandriava.gov or 703-746-4193.
- C-1 The proposed use is a change in use group classification (Group M to Group B) a new Certificate of Occupancy is required.
- C-2 Building and trades permits are required for this project. Six sets of *construction documents* prepared by a licensed architect or professional engineer shall accompany the permit application. Construction documents shall fully detail the construction as well as layout and schematics of the mechanical, electrical, and plumbing systems shall accompany the permit application(s).
- C-3 Prior to the application for new Certificate of Occupancy, the applicant shall submit a building permit for a change of use. The plans shall show proposed conditions and provide data by the design professional which details how the proposed use will comply with the current edition of the Virginia Uniform Statewide Building Code for the new use. The applicant shall include a building code analysis with the following building code data on the plans: a) use group; b) number of stories; c) type of construction; d) floor area per floor; e) fire protection plan f) total occupancy load g) means of egress h) accessibility requirements
- C-4 Alteration to a building/structure shall comply with the Uniform Statewide Building Code (USBC).
- C-5 Any proposed future alterations to the existing structure must comply with the current edition of the Uniform Statewide Building Code (USBC).
- C-6 Before a building permit can be issued on any proposed future alterations, a certification is required from the owner or owner's agent that the building has been inspected by a licensed asbestos inspector for the presence of asbestos.

- C-7 Required exits, parking, and accessibility within the building for persons with disabilities must comply with USBC Chapter 11. Handicapped accessible bathrooms shall also be provided.
- C-8 Toilet Rooms for Persons with Disabilities:
(a) Water closet heights must comply with USBC 1109.2.2
(b) Door hardware must comply with USBC 1109.13

- C-11 The following code requirements apply where food preparation results in the development of grease laden vapors:
(a) All cooking surfaces, kitchen exhaust systems, grease removal devices and hoods are required to be protected with an approved automatic fire suppression system.
(b) A grease interceptor is required where there is drainage from fixtures and equipment with grease-laden waste located in food preparation areas of restaurants. Food waste grinders can not discharge to the building drainage system through a grease interceptor.
- C-12 A rodent control plan shall be submitted to this office for review and approval prior to occupancy. This plan shall consist of the following:
(a) Measures to be taken to control the placement of litter on site and the trash storage and pickup schedule.
(b) How food stuffs will be stored on site.
(c) Rodent baiting plan.
- C-13 The proposed space used for outdoor seating with tables must provide a minimum of 15 square feet per person.
- C-14 Any configuration of outdoor seating shall comply with the following conditions:
• Fire Dept. Connections must remain accessible - not be blocked by tables or fixtures.
• Daily Sweeping/washing of outdoor dining area is recommended to control rodent activity.
• Fire Hydrants shall not be obstructed by tables, chairs or other fixtures.
• The configuration of any outdoor seating shall not obstruct or diminish the required egress from the structure or any adjacent structures.
- C-15 Any increase in occupancy must be supported by the required number of restroom facilities within the structure in accordance with the USBC / International Plumbing Code.

- C-16 Any increase in occupancy will only be considered for the exterior of the structure and will not modify the approved interior approved occupant load. At no time shall any approved outdoor seating be incorporated inside due to foul weather or other situations.

Health:

- F-1 An Alexandria Health Department Permit is required for all food establishments. A permit shall be obtained prior to operation, and is not transferable between one individual or location to another.
- F-2 Plans shall be submitted to the Health Department through the Multi-Agency Permit Center. Plans shall be submitted and approved by the Health Department prior to construction or renovation. There is a \$200.00 plan review fee payable to the City of Alexandria.
- F-3 Plans shall comply with Alexandria City Code, Title 11, Chapter 2, The Food and Food Handling Code of the City of Alexandria. Plans shall include a menu of food items to be offered for service at the facility and specification sheets for all equipment used in the facility, including the hot water heater.
- F-4 Facilities engaging in the following processes may be required to submit a HACCP plan: Smoking as a form of food preservation; curing food; using food additives to render food not potentially-hazardous; vacuum packaging, cook-chill, or sous-vide; operating a molluscan shellfish life-support system; and sprouting seeds or beans.
- F-5 A Certified Food Manager shall be on-duty during all operating hours.
- F-6 The facility shall comply with the Virginia Indoor Clean Air Act and the Code of Alexandria, Title 11, Chapter 10, Smoking Prohibitions.
- F-7 Wood flooring in eating areas shall be finished in a manner that is smooth, durable, easily-cleanable, and non-absorbent. In many cases, original wooden flooring in historical structures may not be suitable for food service facilities.

Subject: Docket Item #6-Grape & Bean

Dear Members of the Planning Commission,

On Thursday, May 31st, at a general meeting of the Rosemont Citizens Association, the members heard a presentation by the owners of Grape & Bean and discussed their SUP#2012-0026. After the discussion a vote was taken and those present voted unanimously to support the Grape & Beans' SUP asking for reduced parking.

Concerns were also voiced that reduced parking, noise levels and the late hours should be monitored to assure that there is no negative impact on the surrounding residential area. The owners/applicant iterated that they will work with the community and find solutions if these concerns become a problem. We welcome our new neighbors – Grape & Bean.

Thank you for your consideration,
Marguerite Lang
President, RCA
