**PLANNING COMMISSION ACTION:**
I. DISCUSSION

REQUEST

The applicant, Donald Simpson Sr., requests approval for a subdivision at 608 West Braddock Road.

SITE DESCRIPTION

The subject property is one lot of record with approximately 199 feet of frontage on West Braddock Road, approximately 386 feet of frontage on Oakland Terrace and a total lot area of 87,253 square feet (2.00 acres.) The site is developed with a two-story single-family dwelling. The property is currently accessible from both West Braddock Road and Oakland Terrace.

The surrounding area is occupied by single-family dwellings in all directions.

BACKGROUND

The original subdivision for this property, Oakland, was approved in 1941.

PROPOSAL

The applicant proposes to subdivide the property into two lots as shown on the following page in order to construct a new dwelling on proposed Lot 501. Proposed Lot 500, on which the existing dwelling will be located, will measure 50,418 square feet (1.16 acres). Proposed corner Lot 501 will measure 36,835 square feet.
ZONING

The property is located in the R-8 / Single-Family Residential zone. The minimum lot area required in this zone is 8,000 square feet, except that 9,000 square feet is required for corner lots. The minimum lot frontage required is 40 feet. The minimum lot width required is 65 feet, except that 80 feet is required for corner lots. The existing house will meet minimum setback and FAR requirements. The table below highlights zoning elements relevant to this proposal.

SUBDIVISION STANDARDS

In addition to a series of technical land and plat requirements (Sections 11-1706 and 11-1709) and a general requirement that all lots meet zoning requirements (11-1710(D)), the Zoning Ordinance requires that every subdivision lot be consistent with the character of other lots in the subdivision and the area and specifically “of substantially the same character as to suitability for residential use and structures, lot areas, orientation, street frontage, alignment to streets and restrictions...”
II. STAFF ANALYSIS

Staff does not object to the subdivision request. A new home at the corner of West Braddock Road and Oakland Terrace will change the historical experience on West Braddock Road, but the subdivision lot is not out of character with the larger residential area. The proposal also meets all zoning ordinance requirements, including lot size, lot width and frontage, as well as the technical subdivision requirements.

As to neighborhood character, the subdivision regulations include several features within the concept of "character." Most importantly, the new lots are clearly consistent with all of the nearby lots as to their suitability for residential structures and uses, their alignment to streets and their orientation as required in Section 11-1710(D). In other words, the new lots will easily fit into this residential neighborhood. On the other hand, the size of the lots is less clearly compatible, but only because the neighborhood lots in the vicinity lack uniformity; they contain a great range of sizes, with respect to both lot area and frontage dimensions. For example, the two residential properties directly to the north on the same side of West Braddock are large in size, measuring approximately 93,300 and 114,600 square feet and having lot frontages of approximately 208 and 218 feet respectively. Another residential property located 200 feet to the south along West Braddock measures approximately 45,000 square feet and has a lot frontage over 250 feet. With a few exceptions, including the subject property, lots in the Oakland subdivision along Oakland Terrace typically measure between 20,000 and 32,000 square feet and have lot frontages of approximately 100 feet. The neighborhood to the east across West Braddock is varied, with some lots comparable in size and frontage to those in the Oakland subdivision and others that are smaller.

Both of the new lots fall within the range represented in the area and thus can be considered consistent with the neighborhood's residential character.

Staff has included three conditions in this report to address technical points. The applicant will be required to discontinue the existing sanitary sewer line connected to the existing house, since it is located across the middle of proposed Lot 501. He will be required to connect the existing house to the sanitary sewer on Oakland Terrace using a new line and tap. Finally, staff is requiring the applicant to show on the final subdivision plat that the existing driveway will not cross the proposed property line between the lots.

Subject to the conditions contained in Section III of this report, staff recommends approval of the subdivision request.
III. RECOMMENDED CONDITIONS

Staff recommends approval subject to compliance with all applicable codes and ordinances and the following conditions:

1. The final subdivision plat shall comply with the requirements of Section 11-1709 of the Zoning Ordinance. (P&Z) (T&ES)

2. The final subdivision plat shall show the existing driveway as terminating on each lot and not crossing the new property line between Lot 500 and Lot 501.

3. An approved grading plan for proposed Lot 501 must be attached to the building permit application for that lot. (T&ES)

4. The sanitary lateral serving existing dwelling on proposed Lot 500 must be removed or abandoned in place and filled with flowable fill or grout, and capped at the Braddock Road property Line of proposed Lot 501 prior to the issuance of any permits for construction on proposed Lot 501. (T&ES)

5. Payment of the sanitary sewer tap fee is required prior to installation of new tap for existing dwelling on proposed Lot 501. (T&ES)

6. The applicant shall be responsible for repairs to the adjacent city right-of-way if damaged during construction activity. (T&ES)

7. All improvements to the city right-of-way such as curbing, sidewalk, driveway aprons, etc. must be city standard design. (T&ES)

8. No permanent structure may be constructed over any existing private and/or public utility easements. It is the responsibility of the applicant to identify any and all existing easements on the grading plan. (T&ES)

9. An erosion and sediment control plan must be approved by T&ES prior to any land disturbing activity greater than 2500 square feet on either lot. An erosion and sediment control bond shall be posted prior to release of the grading plan. (T&ES)

10. If construction on proposed Lots 500 or 501 results in land disturbing activity in excess of 2500 square feet, the applicant is required to comply with the provisions of Article XIII of the City’s Zoning Ordinance for stormwater quality control. (T&ES)

STAFF: Barbara Ross, Deputy Director, Department of Planning and Zoning; Nathan Randall, Urban Planner.

Staff Note: This plat will expire 18 months from the date of approval (September 2, 2011) unless recorded sooner.
IV. CITY DEPARTMENT COMMENTS

Legend:  C - code requirement  R - recommendation  S - suggestion  F - finding

Transportation & Environmental Services:

R-1 The final subdivision plat shall comply with the provisions of Section 11-1709 of the City's Zoning Ordinance. (T&ES)

R-2 An approved GRADING PLAN for proposed Lot 501 must be attached to the building permit application for that lot. (T&ES)

R-3 Sanitary lateral serving existing dwelling on proposed Lot 500 must be removed or abandoned in place and filled with flowable fill or grout, and capped at the Braddock Road property Line of proposed Lot 501 prior to the issuance of any permits for construction on proposed Lot 501. (T&ES)

R-4 Payment of sanitary sewer tap fee is required prior to installation of new tap for existing dwelling on proposed Lot 501. (T&ES)

R-5 Applicant shall be responsible for repairs to the adjacent city right-of-way if damaged during construction activity. (T&ES)

R-6 All improvements to the city right-of-way such as curbing, sidewalk, driveway aprons, etc. must be city standard design. (T&ES)

R-7 No permanent structure may be constructed over any existing private and/or public utility easements. It is the responsibility of the applicant to identify any and all existing easements on the grading plan. (T&ES)

R-8 An erosion and sediment control plan must be approved by T&ES prior to any land disturbing activity greater than 2500 square feet on either lot. An erosion and sediment control bond shall be posted prior to release of the grading plan. (T&ES)

R-9 If construction on proposed Lots 500 or 501 results in land disturbing activity in excess of 2500 square feet, the applicant is required to comply with the provisions of Article XIII of the City's Zoning Ordinance for stormwater quality control. (T&ES)

C-1 Roof, surface and sub-surface drains be connected to the public storm sewer system, if available, by continuous underground pipe. Where storm sewer is not available applicant must provide a design to mitigate impact of stormwater drainage onto adjacent properties and to the satisfaction of the Director of Transportation & Environmental Services. (Sec. 8-1-22)

C-2 All secondary utilities serving this site shall be placed underground. (Sec. 5-3-3)
C-3 Pay sanitary sewer tap fee prior to release of Grading Plan. (Sec. 5-6-25.1)

C-4 Any work within the right-of-way requires a separate permit from T&ES. (Sec. 5-3-61)

C-5 City Code Section 8-1-22(d) requires that a grading plan be submitted to and approved by T&ES prior to the issuance of building permits for improvements involving:
   a. the construction of a new home;
   b. construction of an addition to an existing home where either
      i. the addition exceeds the area of the existing building footprint by 100% or more;
      ii. or, the construction of the addition results in less that 50% of the existing
          first floor exterior walls, in their entirety, remaining;
   c. changes to existing grade elevation of 1-foot or greater;
   d. changes to existing drainage patterns;
   e. land disturbance of 2,500 square feet or greater.

Questions regarding the processing of grading plans should be directed to the T&ES Site Plan Coordinator at (703) 746-4064. Memorandum to Industry No. 02-08 was issued on April 28, 2008 and can be viewed online via the following link.

Police Department:

F-1 No comments

Archeology:

F-1 This property is on Braddock Road, which was a major thoroughfare for troops during the Civil War and may have the potential for containing Union camp sites.

F-2 Development on either of the two lots may require archaeological preservation actions. The nature of these actions will depend on the degree of previous ground disturbance and the extent of ground disturbance associated with the planned development.

Definition of business and financial relationship.

Section 11-305 of the Zoning Ordinance defines a business or financial relationship as any of the following:

(1) a direct one;
(2) by way of an ownership entity in which the member or a member of his immediate household is a partner, employee, agent or attorney;
(3) through a partner of the member or a member of his immediate household;
(4) through a corporation in which any of them is an officer, director, employee, agent or attorney or holds 10 percent or more of the outstanding bonds or shares of stock of a particular class. In the case of a condominium, this threshold shall apply only if the applicant is the title owner, contract purchaser, or lessee of 10% or more of the units in the condominium;
(5) not as an ordinary customer or depositor relationship with a professional or other service provider, retail establishment, public utility or bank, which relationship shall not be considered a business or financial relationship;
(6) created by the receipt by the member, or by a person, firm, corporation or committee on behalf of the member, of any gift or donation having a value of more than $100, singularly or in the aggregate, during the 12-month period prior to the hearing on the application from the applicant.
All applicants must complete this form.

1. The applicant is the (check one):

[ √] Owner       [ ] Contract Purchaser

[ ] Lessee       [ ] Other: ________________________________

State the name, address and percent of ownership of any person or entity owning an interest in the applicant, unless the entity is a corporation or partnership in which case identify each owner of more than ten percent.

Donald F. Simpson, Sr. & Lynne J. Simpson 100%

If property owner or applicant is being represented by an authorized agent such as an attorney, realtor, or other person for which there is some form of compensation, does this agent or the business in which the agent is employed have a business license to operate in the City of Alexandria, Virginia?  

[ ] Yes. Provide proof of current City business license

[ ] No. The agent shall obtain a business license prior to filing application, if required by the City Code.
2. Please describe the existing and proposed use of the property(ies). Include a description of any structures, trees and landscaping, or other elements that occupy the property(ies).

Existing Home Site Residence on 2.003 Acre (67,253 sq ft) Block 2 Oakland (3 Story w/Basement) Zoned R-8.

To subdivide the (2) acre property into (2) residential properties. The home site property would remain on Lot #500 (59,418 sq ft) and a new residence would be constructed on subdivided Lot #501 (36,835 sq ft) fronting along West Braddock Road. The existing property is open yard/lawn area.
