## I. DISCUSSION

The applicant, Blue Zen VA, Inc, represented by Hanh Tran, requests Special Use Permit approval to operate a restaurant at 101 North Union Street Unit #101.

### SITE DESCRIPTION

The subject site is one lot of record with 115 feet of frontage on King Street, 105 feet of frontage on North Union Street, and a total lot area of approximately 12,075 square feet. A three-story office and commercial building is located on the site. Retail tenants are located on the bottom floor facing an arcade that provides pedestrian access between the corner of King & Union Streets and the waterfront. Office uses are located immediately above the first-floor retail. Icon Gallery, a retail art gallery, is currently located in the space the applicant proposes to operate its frozen yogurt shop.

The surrounding area is occupied by a mix of commercial, residential, and institutional uses. The Torpedo Factory Arts Center is located immediately adjacent to the site to the north. City-owned waterfront/marina property and the Old Dominion Boat Club are located immediately to the east along the Potomac River. Starbucks, Mai Thai, and Red Curry restaurants are located to the south across King Street. Retail uses and residential condominiums are located to the west and northwest across North Union Street.

### PROPOSAL

The applicant proposes to operate an independently-owned, 768 square-foot frozen yogurt shop. Frozen yogurt, made on premises, will be sold along with related confections, coffee and other drinks. Additional elements of the applicant's proposal are as follows:

- Hours: 10:00am – 11:00pm daily
- Number of seats: 15 seats
- Type of Service: Dine-in and carry-out
- Alcohol: No alcohol service is proposed

- Entertainment: No live entertainment is proposed
- Delivery: No delivery service is proposed
- Noise: Minimal noise levels are anticipated
- Trash/Litter: Paper and plastic cups/utensil waste and other trash will be stored in the shared garbage room at 201 N. Union and collected daily

#### PARKING

The subject property is located within the Central Business District (CBD). According to Section 8-300 (B) of the Zoning Ordinance, restaurants located within the CBD are exempt from parking requirements.

#### ZONING/MASTER PLAN DESIGNATION

The subject property is located in the KR/King Street Retail Zone. Section 4-503(W) of the Zoning Ordinance allows a restaurant in the KR zone only with a Special Use Permit.

The proposed use is consistent with the Old Town Small Area Plan chapter of the Master Plan which designates the property for commercial use.

## **II. STAFF ANALYSIS**

Staff does not object to the applicant's proposal to operate a frozen yogurt shop. Despite some concern about a restaurant replacing a retail tenant, on balance, staff finds that the proposal is appropriate for this prominent corner in Old Town. It is a small restaurant use and should have a minimal impact on the surrounding area. It is also consistent with the Old Town Restaurant Policy, which requires a review of its impact regarding the balance of uses, parking, late night hours and alcohol, and litter.

#### Balance of Uses

The proposed restaurant would replace an existing retail use, raising concerns about maintaining the important balance between restaurant and retail uses. Staff also notes that among the variety of restaurants, retail shops, and institutional uses currently existing in this area, there are four other ice cream/frozen yogurt shops located nearby. Having too many of these businesses in the lower King Street area has the potential to negatively impact the balance of uses as a cumulative matter. However, this ice cream/yogurt shop is only 768 square feet and unlikely to impact the existing balance in a significant way. Although there are many restaurants in the immediate area, several retail tenants are also present nearby, such as other retail businesses facing the first-floor arcade in the building and along South Union Street.

On the positive side of the equation, this proposal is likely to increase pedestrian activity in this area, which could improve the condition of the existing first-floor arcade and help the existing retailers. The arcade is dark, uninviting, and disorienting, particularly for visitors. It serves as a visual barrier between King Street and the waterfront. Additional foot traffic from the proposed restaurant will help to make the arcade more active and inviting and could help to strengthen the connection between lower King Street and the waterfront. Additional activity also has the potential to draw more visitors to the Torpedo Factory Arts Center.

### Parking

In regard to parking, staff believes that while there is some potential for neighborhood impacts, it is unlikely because the restaurant will have only 15 seats and is not a destination for motorists. Staff has also included standard condition language in this report (Condition #14) requiring the applicant to participate in any shared parking program that may be established in the area in the future.

### Late Night Hours and Alcohol

The Old Town Restaurant Policy anticipates the possibility that a combination of late night hours and alcohol could create impacts on the surrounding neighborhood. However, this combination is not present in this case. No alcohol will be offered here and the proposed closing hour of 11:00pm is earlier than several restaurants in the area.

### Litter

Generally speaking, restaurants using offering carry-out service have some potential for litter impacts. This impact is likely to be small here given the size of the restaurant and given that several trash cans are located immediately in front of the building on King and Union Streets. Staff has also included standard condition language requiring the applicant to pick up litter around the business at least twice a day and more often if necessary.

Staff concludes that the proposal is consistent with the Old Town Restaurant Policy and is a reasonable, low-impact use. It will be a positive addition to this corner of Old Town and will draw vitality into the existing first-floor arcade. Subject to the conditions contained in Section III of this report, staff recommends approval of this Special Use Permit request.
