## I. DISCUSSION

### REQUEST

The applicant, Ultimate Health Schools, requests special use permit approval for the operation of a Nurse's Training School located at 4600 King Street, Suite 5A.

### SITE DESCRIPTION

The subject property consists of one lot of record with 53.2 feet of frontage on King Street, 250.9 feet of depth and a total lot area of 27,284 square feet and is developed with the Jefferson Medical Building. Suite 5A consists of 4,000 square feet of occupied space within the fifth floor of the Jefferson Medical Building. Access to the property is from King Street.

The surrounding area is occupied by residential and commercial properties.

### PROPOSAL

Ultimate Health Schools plans to renovate a portion of the existing building for use as a nurses training facility. The proposed Ultimate Health Schools will teach students studying to become Certified Nurse's Assistants and Learning Practical Nurses. The specific aspects of the nurses training facility as proposed by the applicant are as follows:

Class time hours:	Monday- Friday	8:00AM- 3:00PM
		4:00PM- 11:00PM
	Saturday-Sunday	8:00AM- 5:00PM

Number of students: There will be a maximum of 25 students on the premises at any one time.

Noise: The applicant anticipates little noise because classes are held inside the suite. The students will leave after their classes.

Trash/Litter: Waste paper and after-meal trash will be generated by the school. There is a trash room on each floor of the building which will be utilized by Ultimate Health Schools. The Jefferson Medical Office Building will be providing cleaning services for Ultimate Health Schools on a daily basis. Within Ultimate Health Schools' budget, there is an allocation for

cleaning personnel. Therefore if the building's provided cleaning service is not sufficient, Ultimate Health Schools will hire their own cleaning personnel.

PARKING

According to Section 8-200 (A)(11) of the Zoning Ordinance, a commercial school requires one parking space for every two seats. A commercial school with 25 seats will be required to provide 13 off-street parking spaces. A total of 219 spaces are provided on the property and were approved by site plan number 87-004. This parking will adequately serve the proposed nurses training school.

ZONING/MASTER PLAN DESIGNATION

The subject property is located in the OCM (100) Zone. Section 4-1003 (X) of the Zoning Ordinance allows a private commercial school in the OCM (100) Zone only with a special use permit.

The proposed use is consistent with the Alexandria West Small Area Plan chapter of the Master Plan which designates the property for Office Commercial Medium use.

**II. STAFF ANALYSIS**

Staff does not object to the proposed Ultimate Health Schools facility located at 4600 King Street, Suite 5A. Staff finds that this facility is an appropriate use for this site. Staff finds that the property offers a sufficient amount of parking spaces for the applicant.

Staff does not anticipate a large impact on the surrounding community. The Ultimate Health Schools facility is compatible with other tenants within the Jefferson Medical Building, such as Doctor's offices.

Staff recommends approval of the special use permit.
